

Florida

Passives - Capacitors: Multi-Layer Ceramic, Tantalum, Niobium Oxide, Wet Tantalum, Glass, Specialty Ceramic, RF/Microwave, Film, Arrays; RF Inductors, SMT Fuses, Feed Thru Filters, Transguards MOV's, Thermistors, Ferrites
Interconnect - DIN, CPCI, FFC/FPC, High density Board to Board, Memory card, Automotive
Timing Devices - Resonators, Crystals, Oscillators VCXO, TCXO, Filters
www.avx.com

Optical Transceivers including GBIC, SFP single-mode and multiple-mode optical transceivers for optical data communication, telecommunication, cable TV systems.
www.axcen.com.tw/

Manufacturer of printed circuit boards for defense, aerospace, communication, high speed computing, medical and semiconductor markets for rigid, flexible and rigid-flex printed circuit boards.
www.compunetics.com

Ohmcraft is the leader in high-performance resistor design and manufacturing. Expertise in High Voltage and High Value resistors.
www.ohmcraft.com

Leading supplier of impedance controlled interconnect devices and other related microwave products to the telecommunications, test & measurement, automotive, medical instrumentation, and semi-conductor test equipment markets.
www.rosenbergerna.com/

Power Electronics; Semiconductors; Rectification; Protection/Isolation; Switching/Control; Die Products, Custom solutions.
www.sensitron.com

Wide Range of Rectifiers, SCRs, diacs, triacs and high voltage zener diodes.
<http://www.solidstatepwr.com/>

High voltage analog and mixed signal semiconductor components including, Discrete N and P Channel Mosfets and Arrays; High Voltage I.C's; EL Panel Drivers.
www.supertex.com

Fabless company providing solutions in ASICS, Microcontrollers and FPGA or CPLD conversions.
<http://www.tekmos.com/>

Standard and custom OEM/ODM Memory Modules, Flash Cards (SD, CF), Industrial temperature Solid State drives.
www.wintecind.com
